small tips:

Sort of SPOILER! Bonus skills and items:

CORONIS ATTACK:

To get this Special Attack (in levels in the world: Plain of Sadness) You have to kill crows. When CrowBar on the screen is full - find the gate in last level of this world - before Charon. Gate leads you to the Coronis World, where You find Coronis (with face covered by skull of crow). He's sitting near the monolith. He'll give you the scroll of Coronis Attack.

If you want to activate this Attack - press Q, to recharge it - kill enemies;

AHNOTUP ATTACK (Weapon of Ahnotup):

To get this special Attack, you have to find sarcophagus of Pharaoh Ahnotup IV. (He's in the end of level 3.2 World: Hades) Complete the mission in Egypt. In the end Pharaoh will give you reward - the scroll of Ahnotup IV.

If you want to activate it - press A, to recharge it - wait 30 sec.

MAGIC SWORD:

In the one of first levels you will meet Pan - god playing on a flute. He will take you to the place where the magic sword is located.

MAGIC ARROWS (with purple flame):

You can get them in bonus level. They are magic arrows that are stronger and affect skeletons, ghosts and other enemies.

SHOP:

During the gameplay you'll meet Old Man - tradesman. You can buy from him many things including: clothings of sword/bow power, that make you faster and stronger. So... collect the points to be able to buy these!
